Re: U.S. Patent Application No. 09/728,215
For **NOISE EXTRACTOR SYSTEM AND METHOD**
Filed: November 29, 2000
Inventor: Bizjak
Attorney Docket No.: 072548-0293357

Dear Ms Chin:

We have not heard from Examiner Faulk since the interview of March 24, 2009, in which you participated. In the interview, it was agreed that Examiner had rejected claims that were no longer in the Application and that Examiner Faulk failed to address claims that are pending before the USPTO.

In the Interview Summary attached to the Office Communication dated April 1, 2009: "The examiner agreed to do a supplemental action that will be sent out with a new restart time for the applicant."

Notwithstanding our request of September 25, 2009 for a status update, we have yet to receive an Office Action as agreed on March 24, 2009 in the telephonic interview. (See the Interview Summary of April 1, 2009).

Confidentiality Note:

The documents accompanying this facsimile transmission may contain confidential information which is legally privileged. The information is intended only for the use of the individual or entity named above. If you are not the intended recipient, or the person responsible for delivering it to the intended recipient, you are hereby notified that any disclosure, copying, distribution or use of any of the information contained in this transmission is strictly PROHIBITED. If you have received this transmission in error, please immediately notify us by telephone and mail the original transmission to us. Thank you.

We are requesting that the supplemental action with a new restart time for the applicant be given priority attention and conveyed in a timely manner as soon as possible.

Thank you for your assistance in this matter.

Anthony G. Smyth
